## IF KIDNEYS AND BLADDER BOTHER

Take Salts to flush Kidneys and neutralize irritating acids.

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.

## WOOL OFFERED AT AUCTION AT HIGH PRICES

PORTLAND, Ore., April 28.—A total of 3,565,000 pounds of Oregon, Washington, Idaho and California wools of all grades were offered at a government auction today and only four clips, amounting to less than two per cent of the whole, were withdrawn because the bids did not come up to the government's minimum price.

As indicating the strength of the market, notwithstanding the seven per cent reduction in government values, the prices realized today were better than at the first sale, six weeks ago. There was a wide range in the prices paid, with 51 cents the top.

ice Edward Reynolds, vice president and general manager of the Postal company, and A. B. Richards, general superintendent of the Postal company's Pacific coast division.

Orders issued by the postmaster general providing for a nation wide increase in telephone and telegraph rates resulted in additional controversies and legal action in a number of states, from some of which suits have been appealed to the United States supreme court. The postoffice department recently was called upon to settle a strike of telephone operators in New England, and members of the Commercial Telegraphers' Union of America yesterday completed the canvass of a strike vote.

The land wire systems under government control were under the direction of the wire control board with first Assistant Postmaster General Koons in charge. The cable lines have been under the direct control of Newcomb Carlton, president of the Western Union company.

Proceedings involving the right of the postmaster general to take over control of both the cable and land line systems are now pending in the supreme court. It is believed that the proposed prompt return of the cable systems will render a decision by the court unnecessary.

Arguments in cases arising from the postmaster general's order increasing rates are to be heard by the court next Monday. The cases resulted in appeals from South Dakota and Massachusetts court decrees although similar actions have been brought in about twenty-one states.

## WADE IS AT WORK INSIDE OF WEEK

Says He Hadn't Had a Symptom of Old Trouble Since Taking Tanlac.

"Before I had taken Tanlac a week I was well and strong enough to go back to work, says W. R. Wade, a well-known resident of Winfield, La.

"I had such a bad case of stomach trouble and rheumatism," he continued, "that I had to quit working. Everything I would eat disagreed with me and made me miserable all the time; my limbs and joints would ache so I could hardly stand it and, in fact, for a whole month before taking Tanlac I wasn't able to put in a full day's work, at all.

"One of my friends had been taking Tanlac and told me it had done him a world of good, so I got me a bottle to try. Well, sir, I began to feel better from the first dose, and before the week was out I was back on my job and have been working right along ever since. I never saw anything better to give such quick relief as Tanlac, and I haven't had a single symptom of my trouble since I started on it."

Tanlac is sold in Ogden by A. R. McIntyre Drug Co. Two drug stores.—Adv.

## Polish Wrestler Throws Ed Lewis In Hard Contest

CHICAGO, April 28.—Wladek Zbyszko, the Polish wrestler, now has but one grapple to overcome, in order to reach the championship, it was said today by followers of the sport. That one is Sergeant Earl Caddock, of the American expeditionary forces, whose return from overseas is expected so that already there is talk of a match between the Pole and the soldier in July.

Zbyszko clinched his right to be Caddock's challenger by defeating Ed ("Strangler") Lewis a second time in a match here last night, pronounced one of the most spectacular contests of the kind that has taken place in Chicago. The men wrestled two hours, fourteen minutes and nine seconds, the end coming like a flash with a side roll and body scissors, after a headlock—the seventh Lewis had secured during the match—had slipped. For the greater part of the wrestling time Lewis was the aggressor but could not pin his skillful antagonist to the mat.

By the terms of the match, a fall was to decide the contest if one was not procured within two hours wrestling time.

**HE ESCAPED INFLUENZA**

"Last spring I had a terrible cold and grippe and was afraid I was going to have influenza," writes A. A. McNeese, High Point, Ga. "I tried many kinds of medicine, but remained clogged with cold. I then took Foley's Honey and Tar Compound, feeling relief from the first. I used seven small bottles. It was a sight to see the phlegm I coughed up. I am convinced Foley's Honey and Tar saved me from influenza." Checks coughs, colds, croup and whooping cough. A. R. McIntyre Drug Co.—Advertisement.

## Americans to Return From Archangel as Soon as Harbor Opens

ARCHANGEL, Sunday, April 27. (By the Associated Press).—The American troops are gradually being withdrawn from the front lines, preparatory to their departure when the harbor opens. As far as possible they are being replaced by new Russian troops, who are being schooled at the front by American and British officers.

There are at present no Americans on the Pines or Kadish-Fredmak-ranga fronts. The Divina and Vaga columns still have some Americans. On the Divina the allied positions have been slightly withdrawn from Tulgas in order to give better positions for the expected onslaught by enemy gunboats.

The Bolshevik infantry was dispersed yesterday by allied artillery. Allied airplanes also dropped bombs with considerable success.

## MUSICIANS HELP VICTORY LOAN IN NEW YORK

NEW YORK, April 28.—Violin solos by Jascha Heifetz and piano solos by S. Rachmaninoff coaxed \$4,816,000 in victory liberty loan subscriptions from an audience which attended a loan rally at the Metropolitan opera house tonight.

After Heifetz had played three selections, a man in a box shouted that he would buy \$500,000 worth of bonds if the violinist would play Gounod's "Ave Maria." Heifetz complied, and Rachmaninoff then played the Star Spangled Banner with such effect that a man in another box said he and his guests would subscribe \$1,200,000 for another selection. Rachmaninoff played two and subscriptions poured in from all parts of the house. The names of the subscribers were not made public.

## Plot to Kill the Mayor of Seattle By Bomb Makers

SEATTLE, Wash., April 28.—Knowledge of the existence of an alleged plot among persons of suspected anarchistic tendencies "to get" Mayor Ole Hanson before he left on his victory loan speaking tour, was admitted tonight by Police Inspector Claude G. Bannick. The inspector's statement followed the receipt today of a broken bomb in the mayor's mail. Inspector Bannick said his information concerning the alleged plot came from police sources among the so called radical element.

The bomb, it was said, was only prevented from exploding because the mayor's acting secretary turned it upside down, spilling out an acid. Had the acid dropped onto a substance below it in the bottle-like bomb, a terrific explosion would have followed. The bomb was turned over to postal authorities. It was postmarked New York and a return address given on the package read "Novelty Department, Gimbel Brothers, New York City."

## Mayor Hears of Plot

PUEBLO, Colo., April 28.—Pueblo county's campaign for the sale of Victory liberty bonds was opened tonight by Mayor Ole Hanson of Seattle, Wash., who delivered a patriotic address at the auditorium.

Mayor Hanson's address was devoted largely to his experiences in dealing with the strike in Seattle but he took occasion to make a few remarks concerning press dispatches about a bomb being received in his office at the city hall in Seattle. Mr. Hanson declared that this was another example of the cowardice of the agitators for they knew that he does not personally open his mail and some innocent person would have been killed.

"They know also," he declared, "that I never go about the streets armed. But if one of them was to attack me I would choke him to death with these naked fists."
